- Delivery & Set-Up within 30 miles of store is **13%** of subtotal with a **\$300 minimum** (plus tax). There will be an additional **\$3 per mile** charge beyond the 30-mile radius.
- Installation sites must be level - (within 1-4" of being level; see a sales associate with any questions)
- We will not remove fences, gates, or other obstructions. Assuring we can gain clear access to installation site is solely the responsibility of the customer
- We also need to be able to pull up no further than 100 feet from the playset site
- #8 Princess Palace and #8a Playhouse will have additional finishing costs due to the combination of three materials: Pressure treated pine, cedar, and smart-side siding. See a sales associate for details and finish pricing
- For those who wish to pick up unassembled playsets at our store, there will be a \$75 (plus tax) surcharge to cover unloading from our truck, storage at our store, and reloading to your vehicle
