- Installation sites must be level within 1-4"; sales associates can assist with any questions.
- Customers are solely responsible for ensuring clear access to the installation site; we will not remove fences, gates, or other obstructions.
- Please ensure there is space for the delivery truck to pull up no further than 100' away from the installation site.
- Delivery within 30 miles of our store is **\$300** (plus tax); there will be an additional **\$3 per mile** charge beyond the 30-mile radius.
- #8 Princess Palace and #8a Playhouse will have additional finishing costs due to the combination of three materials: pressure-treated pine, cedar, and smart-side siding. See a sales associate for details and finish pricing.
- For those who wish to pick up unassembled playsets from our store, there will be a \$75 (plus tax) surcharge to cover unloading from our truck, storage, and reloading to your vehicle.
