THE EMINENCE BEDROOM

American Made by the Amish - Solid Wood Furniture

Drawers that are built to last. Dovetailed joints in our drawers ensure ultimate strength and longevity in every drawer you open.

Solid wood sides showcase the refreshing structure and strength of each Collection. Revel yourself in this powerful display of style and solid hardwood.

Our furniture's proven strength is accomplished by our focused attention to structural details. Joints are secured by strong bonding agents and reinforced with covertly placed helix fasteners.

Made from the region's finest solid hardwood. Our furniture has character, longevity, and presence that is engrained by America's wonder-filled wildwoods.

Overlay Drawers are just another way to express our passion for perfection. Every drawer is carefully fitted to give you a smooth graceful welcome every time you enter it's presence.

Our slat support on all queen and king size beds is always there. It gives strength where it's needed most. In the middle of the center slat you'll find a hearty hardwood leg to support the center of the mattress.

Our drawer boxes are strong and built to endure any challenge you throw at them. Each drawer box regardless of size will stand true to 200 pounds of live weight.

Our furniture is hand-sanded, stain is thoroughly kneaded into every grain. Following the stain, a sealer is applied and cured, then gently grazed with scuffing pads to enhance the bonding of the final coat of varnish.

MILLER FAMILY

HERITAGE & COMMITMENT

Millcraft Furniture is a solid hardwood bedroom furniture builder nestled in the hills of Holmes County, OH. It is home of the largest Amish community in the world.

In a modern world where culture is leaning harder and with a quickened pace towards a nameless mélange, this community holds fast and true to our time-honored tradition of value and distinction.

Dove tailed joiners, solid hardwood panels, and attention to detail are just a few chords that still ring true at Millcraft. Around here we live simply, and that simplicity requires hard work, sharpened senses, and a diligent eye for detail. Let's not forget...simple isn't always easy.

At Millcraft we have worked long and hard to accomplish a dream of ours. That dream is to build a company with value. Value that reflects our conviction and commitment to Jesus Christ. Value that expresses itself in the work of our hands. Value that will work for you and work for generations — yours and ours.

Thank you from the Miller family and the craftsmen at Millcraft for your interest in our furniture.
