

Installation Agreement

Of Your Vinyl Playset

1. Carrying Charge

If it is possible, and we are allowed to back up to your site there is no carrying charge with-in 75 ft. There is a \$ 1.00 per foot charge after 75 feet.

Normal sized delivery equipment is a average size pickup truck with a 16' enclosed, or open trailer. We need a 110 volt outdoor receptacle .

Weaver Playsets is not responsible for any ruts or damage to your yard or driveway, we are extremely careful to prevent any damage.

2. Level Ground

There is no extra charge to install your vinyl playset if your site is within 4 inches of being level.

Minimum Charge From 5-7 inches is \$ 50.00
 From 7-10 inches is \$ 100.00
 From 10-13 inches is \$ 150.00

3. Maintenance Of Your Vinyl Swingset

If your vinyl swingset gets dirty, we recommend once or twice a year to put degreaser or soap on and wash off with garden hose or pressure washer.

With your signature you agree to the above regulations.
